- Change your angle. It changes the shape.

02 Photograph, never stage

- Do not touch, bend or arrange anything.
- Move yourself, not the object.

03 Frame each one well

- Fill the frame, keep the background clean.
- Contrast helps. Every letter sharp.

04 Collage, then upload

- Every letter in order on one Google Slide.
- File, Download, PDF or JPG.
  Upload that file.
