LESSON: WHO ARE YOU? A PORTRAIT IN OBJECTS | WEEK 13, MONDAY

The big idea

This is a portrait of your personality. What you choose, and how you arrange it, shows us who you are, not what you own.

01 Show your personality

What you love, what you do, what matters to you.

02 Arrange it on purpose

One star object, thirds, lines, empty space.

03 Pick the surface

Wood, fabric, paper. It is part of the story.

04 Shoot it right

Straight down, soft window light, your shadow off the set.

05 Edit in Lightroom

Crop, straighten, true white balance, clean up dust.

Not a brand list

No makeup bags or chargers. Choose what is yours.

MUST DO **Bring your objects and your surface to class in Week 14, Monday. We shoot together in class.**
