Must do
Record sound and use it. Picture and sound flow as one conversation.

STEP BY STEP

01 Write it together

- Eight to ten short lines, easy to repeat.
- All three write and direct it.

02 Three angles, two moves

- Two-shot, over the shoulder on A, on B.
- Two moves, each one of the six.

03 Keep it continuous

- Same seats, props, light and lines.
- Sound on, same voice level every take.

04 Intercut the angles

- Every angle comes back at least twice.
- No cut-off, repeated or missing words.

Watch out

- **A cup moves between takes.** Continuity breaks. Reset the props.
- **Voices you cannot hear.** Get closer, find a quiet room.
- **Sound that jumps.** Eyes closed, it should flow like one take.

Turn it in Export at 1080p. Every member of the group uploads the same file to Assignment 04.
