A photograph starts before the camera does

Plan the whole look before the camera comes out.

PHOTOGRAPHY & VIDEO
10th grade, Semester 1
Mr. Nizzani

The big idea

Every part of the frame was decided before the shutter opened.

SIX PARTS YOU DECIDE

- Hair
- Makeup
- Wardrobe
- Lighting
- Location
- Mood

ASSIGNMENT 01, STEP BY STEP

1. Pick one starting point
2. Expand it
3. Build the board
4. PDF and present

MUST DO Submit the board as a PDF. Links are not accepted.

6 ways to shoot one egg

When the subject cannot change, everything else has to.

PHOTOGRAPHY & VIDEO
10th grade, Semester 1
Mr. Nizzani

6	2	All	Unit
finished photos	check-ins	semester long	project

THE ONE RULE **Every photo completely different. A new angle in the same light is not a new photo.**

Change the light every time

Where the light comes from changes everything.

Side

Behind

Above

Below

Straight on

Keep it clean

Nothing in the frame competes with the egg.

Dark ground

Pale ground

Check the edges

THE UNIT AT A GLANCE

Week 2, Monday	Week 5, Wednesday	Week 11, Wednesday	Week 16, Tuesday
The Egg begins	Check-in 1: about 2	Check-in 2: about 4	02 All 6 and your log, 9:00 pm

Before you leave today **Put an egg somewhere you will see it every day this week.**
