Nobody's face is symmetrical

Retouch a portrait without changing the person, then mirror it.

PHOTOGRAPHY & VIDEO
10th grade, Semester 1
Mr. Nizzani

Practice: the sample portrait

Ungraded. Week 11, Tuesday, in class.

- **Lightroom first**
- **Named layers**
- **Heal at 100%**
- **Masks**
- **Save as .psd**

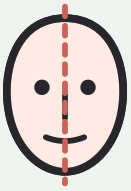

The line

Remove what is temporary. Keep what is permanent. If she would not recognize herself, you went too far.

One photograph, three images

Neither mirror looks quite like her.

Left side mirrored

The original

Right side mirrored

Then mirror it

Both mirrors are built from one half of the same face.

THE PROCESS AT A GLANCE

MUST DO Swap RAW files before you leave class. Everyone retouches and mirrors her own portrait.

ASSIGNMENT 07

Your Own Symmetrical Image

Shot in class, retouched and mirrored in class.

THE UNIT AT A GLANCE

Week 11, Tuesday	Week 12, Tuesday	Week 13, Mon and Tue	Week 13, Tuesday
Practice portrait	Shoot the portrait	Retouch and mirror	07 due, 9:00 pm
